Niva –

Per my recent voice-mail, I would like to set up a meeting with you (and whomever among your colleagues you believe to be important to participate in such a meeting), myself and a representative from my client, W. M. Barr & Company, to familiarize you more with Barr's employee-owned business and its products in the context of regulatory development actions being contemplated by the Agency for certain paint stripper products.

We would be interested in meeting with you this month if possible, preferably on October 24 or 25<sup>th</sup> if you could be available on either of those dates. Perhaps you could send to me some times on those two dates that you might be available, or (if the 24<sup>th</sup> or 25<sup>th</sup> would not work) propose some alternative dates/time combinations if that would be your preference?

I look forward to speaking with you soon.

Larry
